May 29, 2014: Agro and food processing major, Anil Limited, reported 40.5% rise in net profit to Rs. 15.64 crore and 21.6% increase in total income to Rs. 228 crore for the fourth quarter (Q4) ended March 31, 2014 at its board meeting held on May 28, 2014. The company also recommended dividend of 20% or Rs. 2 per share for the year 2013-14. Company's net profit in the corresponding period of last year was Rs. 11.13 crore; while total income was Rs. 187.51 crore.

For the full year 2013-14, the company posted net profit of Rs. 48.34 crore, higher by 5.9 % against Rs. 45.62 crore in the previous year. Total income in 2013-14 stood at Rs. 824.91 crore against Rs. 706.71 crore in 2012-13.

Commenting on fourth quarter results, Mr. Amol Sheth, Chairman and Managing Director, Anil Ltd. said, "The Company's performance in the fourth quarter has significantly improved, thereby registering good growth for the full year. In last few quarters, Company's bottom-line had been impacted due to higher financing costs and increased raw material expenditure, which affected margins. However, from this quarter onwards, we will see improvement in margins as both the above costs are under control."

The Rs 1,000 crore plus Ahmedabad-headquartered food and agri major-Anil Group has undertaken a major restructuring and re-alignment initiative for its existing businesses so as to consolidate the different synergistic businesses and add value and higher returns to its stakeholders. The proposed re-alignment of the Group's businesses is expected to be completed by the end of this quarter after all the requisite approvals from shareholders, regulators, creditors of the companies, the High Court of Gujarat and other concerned agencies are obtained.
